

# Introducing RUSTICS to the Britannia Range

We have recently added seven new colours to our range of extruded brick slips. The Rustics have been designed to have a more aged, handmade appearance, but because they are manufactured as a slip, are as cost effective as the rest of the Britannia Range.

The colours can also be mixed together in order to achieve a wider range of interesting blends.

Rustic Buff Multi 688

Rustic Cottage Multi 690

Rustic Golden Multi 684

Rustic Inferno Multi 686

Rustic Orange Multi 687

Rustic Red Charcoal Multi 685

Rustic Red Multi 689
